*** HEALTH SEEKER**

The Health Seeker is new to a health and wellness routine or just getting re-engaged and will need one-on-one attention from YMCA staff.

- STEP-UP

The Step-Up level is for those individuals who don't require one-on-one attention and are already committed to an exercise program two to three times per week.

+ ATHLETE

The Athlete exercises consistently four to five times per week on their own. YMCA staff is available to help and work individually with the Step-Up and Athlete if required.
