Intro to Cycle is a 5 week program that began Jan. 22nd and will end Feb. 19th.
Monthly registration is required; free for members, \$5 for non-members

* HEALTH SEEKER

The Health Seeker is new to a health and wellness routine or just getting re-engaged and will need one-on-one attention from YMCA staff.

- STEP-UP

The Step-Up level is for those individuals who don't require one-on-one attention and are already committed to an exercise program two to three times per week.

+ ATHLETE

The Athlete exercises consistently four to five times per week on their own. YMCA staff is available to help and work individually with the Step-Up and Athlete if required.

TOGETHER WE CAN BUILD A BETTER US

| Class Name | Designation | Class Description |
|--------------------------------------|---|---|
| SilverSneakers® Classic | Health Seeker | Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement, and activity for daily living skills. Hand-held weights, elastic tubing with handles, and a ball are offered for resistance; and a chair is used for seated and/or standing support. |
| SilverSneakers® Cardio | Health Seeker | Get up and go with an aerobics class for you – safe, heart -healthy, and gentle on the joints. The workout includes easy to follow low-impact movement and upper body strength, abdominal conditioning, stretching, and relaxation exercises designed to energize your active lifestyle. |
| SilverSneakers® Chair Yoga | Health Seeker | Chair Yoga is practiced primarily sitting in a chair with options to stand or come to the mat. It is a great way to learn time-effective postures to do from a desk, car, or any other time you're sitting. It's also a great class for people with physical challenges as well as pregnant women. Increase strength and flexibility while allowing ample time to rest and integrate. |
| Enhance Fitness | Health seeker | Enhanced Fitness is a 16-week evidence based exercise program meant to benefit anyone with arthritis. All participants will work to improve muscle strength, range of motion, and joint health using light wrist and ankle weights, stretching, and other equipment and exercises. Registration required |
| Dance for Parkinson's Disease | Health Seeker | Dance for Parkinson's Disease is a class which uses movement and music in ways that are enjoyable, stimulating and creative, as well as therapeutic. No dance experience is required. Registration required |
| Aerobics | Health Seeker Step-up | A low impact high intensity cardiovascular class that includes conditioning and flexibility component. |
| Zumba | Health Seeker Step-up, Athlete | Cut loose to the hottest new workout with fun moves and shakin' tunes. Free yourself. |
| Cycling | Healthy Seeker, Step-up, Athlete | Cycling is a stationary cycling program personalized for participants of any age or fitness ability. The bike allows participants to control their exertion level while still enjoying the motivation of a group setting. |
| Pilates | Health Seeker, Step-Up, Athlete | A unique system of stretching and strengthening exercises designed to improve core muscle strength, flexibility, balance, posture, and overall well-being. |
| Yoga | Health Seeker, Step-up, Athlete | Participants focus on slow stretches, flexibility, deep breathing and precise alignment of the poses. |
| BodyCombat™ | Step-up, Athlete | BodyCombat™ is the empowering cardio workout where you are totally unleashed. This energetic program is inspired by martial arts and is supported by driving music and powerful instructors. Strike, kick, punch and kata your way through calories to superior cardio fitness. |
| BodyPump™ | Step-up, Athlete | BodyPump™ is the original barbell class that strengthens your entire body. It will challenge all your major muscle groups by using weight-room exercises like squats, presses, lifts and curls. Great music, awesome instructors inspire you to get the results you came for! |
| Tabata | Step-up, Athlete | High intensity interval training designed to get your heart rate up in that very hard anaerobic zone for short periods of time. Follows a specific format: 20 seconds of a very high intensity exercise and 10 seconds of rest. |
| Ballet & Jazz | Ages 7-10 | Ballet is a classical form of dance focusing on elegant and graceful movements, proper positioning and the building and maintenance of a strong physique. Jazz dancing is an upbeat style of dance that uses techniques from a variety of dance styles. Students develop dance skills in stretching, jumping, turning, floor movement, basic ballet, and creative dance. |
| Ballet/ Tap & Jazz | Ages 4-6 | In this class children will learn the basic positions, forms and techniques of ballet and creative dancing. Ballet is a classical form of dance focusing on elegant and graceful movements, proper positioning and the building and maintenance of a strong physique. Tap dancing allows students to learn the art of making music with their feet through the rhythmic movement of the choreography. Dress code: Any color dance leotard or dance outfit, dance tights or socks, and pink ballet shoes or black tap shoes. |
| Kids Yoga | Ages 5-12 | Meditation, breathing practices, relaxation, poses, games/activities and stress management. Registration required |
| Intro to Cycle | Ages 13 and up Health Seekers, Step-up, Athletes | Intimidated by "cycle"? Try our beginner indoor cycling class designed to teach proper bike set up, rotation and pedal work. You can get fit on the bike while learning basic Spinning skills! |
| Kids Fit | Ages 5-12 | The Y's Fit Kids program is designed to promote sport skills, strength conditioning through a fun and challenging circuit training. |
