* HEALTH SEEKER

The Health Seeker is new to a health and wellness routine or just getting re-engaged and will need one-on-one attention from YMCA staff.

- STEP-UP

The Step-Up level is for those individuals who don't require one-on-one attention and are already committed to an exercise program two to three times per week.

+ ATHLETE

The Athlete exercises consistently four to five times per week on their own. YMCA staff is available to help and work individually with the Step-Up and Athlete if required.

TOGETHER WE CAN BUILD A BETTER US

Class Name	Designation	Class Description
SilverSneakers® Classic	Health Seeker	Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement, and activity for daily living skills. Hand-held weights, elastic tubing with handles, and a ball are offered for resistance; and a chair is used for seated and/or standing support.
SilverSneakers® Cardio	Health Seeker	Get up and go with an aerobics class for you – safe, heart -healthy, and gentle on the joints. The workout includes easy to follow low-impact movement and upper body strength, abdominal conditioning, stretching, and relaxation exercises designed to energize your active lifestyle.
SilverSneakers® Chair Yoga	Health Seeker	Chair Yoga is practiced primarily sitting in a chair with options to stand or come to the mat. It is a great way to learn time-effective postures to do from a desk, car, or any other time you're sitting. It's also a great class for people with physical challenges as well as pregnant women. Heavy emphasis on breathing techniques and relaxation is practiced in orders to increase strength and flexibility while allowing ample time to rest and integrate.
Enhance Fitness	Health seeker	Enhanced Fitness is a 16-week evidence based exercise program meant to benefit anyone with arthritis. All participants will work to improve muscle strength, range of motion, and joint health using light wrist and ankle weights, stretching, and other equipment and exercises. Registration required
Moving for Better Balance Tai Chi	Health Seeker	This is a fall prevention program that uses the principles and movements of Tai Chi in helping older adults improve their balance and increase their confidence in doing everyday activities. Registration required
Dance for Parkinson's Disease	Health Seeker	Dance for Parkinson's Disease is a class which uses movement and music in ways that are enjoyable, stimulating and creative, as well as therapeutic. No dance experience is required. Registration required
Aerobics	Health Seeker Step-up	A low impact high intensity cardiovascular class that includes conditioning and flexibility component.
Zumba	Health Seeker Step-up, Athlete	Cut loose to the hottest new workout with fun moves and shakin' tunes. Free yourself.
Cycling	Healthy Seeker, Step-up, Athlete	Cycling is a stationary cycling program personalized for participants of any age or fitness ability. The bike allows participants to control their exertion level while still enjoying the motivation of a group setting.
Pilates	Health Seeker, Step-Up, Athlete	A unique system of stretching and strengthening exercises designed to improve core muscle strength, flexibility, balance, posture, and overall well-being.
Yoga	Health Seeker, Step-up, Athlete	Participants focus on slow stretches, flexibility, deep breathing and precise alignment of the poses.
BodyCombat™	Step-up, Athlete	BodyCombat™ is the empowering cardio workout where you are totally unleashed. This energetic program is inspired by martial arts and is supported by driving music and powerful instructors. Strike, kick, punch and kata your way through calories to superior cardio fitness.
BodyPump™	Step-up, Athlete	BodyPump™ is the original barbell class that strengthens your entire body. It will challenge all your major muscle groups by using weight-room exercises like squats, presses, lifts and curls. Great music, awesome instructors inspire you to get the results you came for!
HIIT	Step-up, Athlete	A mix of toning and strengthening exercises, aerobics, and high intensity interval training.
Y-Dance	Ages 4-10	Youth will learn more than technique & form to develop their skills in ballet and/or jazz. Registration required
FitKids	Ages 6-12	This is part of our Kids in Motion program designed to promote sports skills, strength conditioning through a fun and challenging circuit training. This program will help elementary aged children grow physically, emotionally and socially strong. Registration required
Kids Yoga	Ages 5-12	Meditation, breathing practices, relaxation, poses, games/activities and stress management. Registration required
