

# Dribble, shoot, score ...

## YOUTH SUMMER BASKETBALL

### Basketball was invented at the Y

It still provides an excellent foundation for the future's leaders. Kids who play basketball at the Y will not only shoot for the baskets, but also for the stars. By working together on a team, kids will realize their full potential, gain self-confidence and leave the season with something worth more than a winning record.

*YMCA Youth Sports are sponsored by:*
