Lap Swimming Tips: Please enter the pool from the shallow end. To avoid accidents, when entering an occupied lane, please get the first swimmer’s acknowledgement that you are there. Please get kickboards, pull buoys, etc. before entering the pool. If there are 1 or 2 swimmers in a lane, they may elect to split the lane in half. The entrance of a third person immediately changes the lane to “circle” swimming format. Please choose a lane with swimmers that most nearly match your speed.

Schedule is Subject to Change: Multiple activities are often scheduled in this pool at the same time.
